

To Senior Parents/Guardians & Families,

May 4, 2026

There are only a few weeks left for the Class of 2026 and finals started today. Please check with your student or on our website for the senior final exam schedule and release times.

Please read the following information carefully as these dates are now locked in:

Senior Farewell is Friday, May 8, 2026 @10am in the REACH! auditorium. Seniors are expected to be in the cafeteria by 9:15am.

- Each participating senior will receive two (2) tickets for guests. Guests will be permitted into the auditorium beginning at 9:30am and MUST present ticket.
- Seniors need to be in the cafeteria by 9:15am in appropriate outfits of white with accents/accessories of blue and silver.
- Seniors may be excused to leave with their parents/guardians at the conclusion of farewell.
- NO balloons, signs, flowers, or other ceremonial items are not permitted. Please leave all items in your car.

Please be aware of parking restrictions and construction on Harford Rd. Parents and guests to farewell MUST use the St. Lo Drive entrance in the back of REACH! Partnership. You may park in the fields for the event since parking on the REACH! lot is very limited.

Please DO NOT park on the access road – you will be towed. This is the only entrance and exit to REACH! Partnership and must remain clear for all deliveries and other traffic.

A map showing acceptable and permitted parking areas is on the back of this letter.

We look forward to seeing you at farewell this Friday.

Best,

Mr. Christopher French
Assistant Principal
